Details

This is a notice to all customers and partners that Genesys will stop supporting the **Microsoft Windows 7** operating system for all Genesys products, effective **June 30th, 2020**. This means that if an issue arises after this date with any existing Genesys software version that relates to **Microsoft Windows 7**, Genesys will recommend that the customer migrate to a supported version of **Microsoft Windows 8.1 or above**.

Please note that Genesys does not sell or provide maintenance for these products. Genesys support only refers to interoperability between these third-party products and Genesys products. For details about Windows 7 End of Support, please visit [Microsoft Support](#).

For further information on 3rd-party platforms supported by Genesys products, see the [Genesys Supported Operating Environment](#) reference manual.
